

Letter of Service Association- Whomsoever it may concern

To Nivyash Marine

From Program Ship Recycling Manager, Altera Infrastructure

Nivyash Marine has supported Responsible Ship Recycling Monitoring and Excellence programs for Altera Infrastructure since 2020 till June 2023.

During this period, Nivyash Marine Team successfully managed 4 Altera assets for Responsible Ship Recycling, including FPSO's, FSOs and Shuttle tankers, at Shubh Arya and RL Kalthia yards in Alang, India.

Primarily sustainability services included quality "Risk Assurance Services" for

- Day to day Onsite Monitoring,
- SRF Audits and Assessment,
- Human Rights Due Diligence Audits
- Onsite training Programs- DNV Accredited for ship recycling,
- Support on CSR activities

Close collaboration between Nivyaash Team and Altera Team resulted in the simplification of work for SRFs leading to trained and empowered workers, Safer working conditions, and improved environmental protection.

Nivyash Marine Management and team has, during the entire period, abided by high principles of Ethics, Values, Uprightness, Professionalism, and Innovation, as expected from an innovative organization.

Altera Team supports Nivyash Management's endeavour to create value for shipowners through Responsible Ship Recycling- Risk Assurance, Environment Protection, and Decommissioning in India.

Stavanger, June 05, 2023

Slobodan (Bobi) Kecic
